

Seeking Submissions!!!

Project Maria, a group supporting those affected by eating disorders, is hosting its 3rd annual Art Jam on Sat., June 16th from 5-9PM at Milton High School in the Auditorium and Cafeteria. To make this event a success, we need both performance and art submissions. If one of these categories appeals to you, please fill out the correct submission form and email it to: projectmariarockcounty@gmail.com. Questions can be directed to that address too.

1. **Performance:** Submissions should promote body positivity, eating disorder recovery, or have some other positive message. Works can be poems, stories, drama, dance, song, etc. Works should be family-appropriate (minimal profanity, not suggestive, not overly graphic descriptions). Submissions, while free to tell the truth, should NOT glamorize or encourage dangerous behaviors. All submission forms should be sent to the Project Maria email address. Performers will be contacted to schedule the time at which they will perform the day of the event.
2. **Crafts/Art Donations:** All items in this category are FOR SALE, with proceeds going to Project Maria. Items will either be marked for individual sale (magnets, clothing, pins, etc.) or part of the silent auction (paintings, drawings, sculptures, etc.). Submission forms should be sent to the Project Maria email address. **ALL items MUST be delivered to Milton High School BEFORE 5PM on Friday, June 15th.** (Items can be left in the front office of MHS, delivered to a Project Maria volunteer, or mailed to our address at PO Box 453, Milton, WI 53563.)
